

Lost, Stolen, or Damaged Student Netbook & Accessory Information

Dear Parent/Guardian:

LOGO student netbooks are an invaluable educational tool and opportunity for our students. These netbooks must remain in good working condition to safeguard this opportunity for your student and future students. Your child was issued a netbook by the San Diego Unified School District and Jonas Salk Elementary. As stated in your Loan Agreement, if this netbook is lost, stolen, or damaged, then you are financially responsible for its replacement or repair to good working condition. Jonas Salk Elementary will be unable to issue your child a replacement or repaired netbook until you have fulfilled your responsibility to compensate the school for the replacement or repair of the original netbook. **Please note that payment of the \$100.00 insurance deductible does not guarantee that a replacement netbook will be provided.**

The full value of the LOGO computer as configured with **SIM card, software, case, A/C charger, laser etching, etc. is \$563.20**. We appreciate your consideration of the Loan Agreement. Pursuant to Education Code section 48904(b)(2), in the event a student and his or her parent or guardian is unable to make payment, the student will be required to render services to the school in lieu of payment.

☐ **More Common Replacements/Damaged Items:**

****PLEASE NOTE****

Your student will have the same netbook during their entire Jonas Salk ES career. Please keep in mind that the wear and tear on these chargers and cases are like any other charger and case/backpack. You would normally **NEED** to replace those kind of items every year/every 2 years.

Please understand, that if you purchase a replacement charger, or case, it **becomes property of SDUSD**, and will need to be checked back in at the end of every school year along with all other items that were checked out at the beginning of the school year.

The **ONLY** exception to this is if the item has a manufacturer defect within the first 90 days of use, and is clearly not damaged due to negligence. If the two situations apply, the school will provide you with a free replacement.
